## MULTI-SPECIES GUIDING SERVICE

**T**odd Longley is one of Manitoba's premier professional anglers and has dedicated countless hours in the promotion and conservation of the fisheries resource. Through his work, he has introduced 1000's of people to recreational angling and the benefits of participating in this leisure activity.

Todd has appeared on numerous television and radio programs, is a regular seminar presenter at events and shows and, showcases his skills and knowledge at fishing tournaments. He has supported and co-sponsored a number of angling programs including:

- Learn to Fish Clinics
- Fish Winnipeg
- Urban Fishing Derby
- Winnipeg Fish Festival
- Youth Fishing Camps
- School Fishing Seminars

In 1999, Todd founded *City Cats* Multi-Species Guiding Service to serve those individuals looking for an adventure of a lifetime. Whether it is catching monster catfish or landing master angler walleye, Todd's motto is "Go Big, or Go Home!"
